

LUMBAR SUPPORT (BS1150)

PART OF THE BURNETT REMOULD™ LUMBAR FAMILY

More than just a simple lumbar support, the non-fixed nature of this pouch delivers great versatility across multiple bodily positions, being used as a stand alone product or in conjunction with other supports.

FEATURES & BENEFITS

- Vacuum-moulded postural support aid that retains set shape over multiple uses
- Suitable for use with over 30 medical conditions* but especially Lordosis, Kyphosis & Scoliosis when used in alternate positions.
- Simple manipulation of soft beads to create a personalised postural moulded shaping support
- Easy to prepare and remould as required
- Easy to operate non-return valve
- Soft-touch 4-way stretch vinyl pouch that is durable, and fire retardant with robust heat-sealed seams
- Hygienic and easy to clean
- Can be applied as a support for head, arm, seat and lumbar, plus side-lying support for infants.

Also available with Quilted Cotton cover (above) or 3D-Spacer cover (left)
